INTRODUCTION

In today's world, WAR is not exactly the last thing on our minds. Since there is nothing we, as students, can really do about it, we try to push those three threatening letters as far back in the dark corners of our minds as we can. But it is still there lurking . . . waiting.

People believe that today's generation of teenagers is all wrong. If these people only knew how wrong they are. If they only knew how totally against war most of us are. We want to grow and learn just as everyone before us has. And we know we can do it if we are given the chance.

One of our many goals is to make this world a better place for everyone, and we are going to do it. And this is where it all starts — high school.

Dedication

MISS WIBKE HILLEBRAND

The 1984 edition of the ***Garchive*** is dedicated to Miss Wibke Hillebrand. Wibke is only the second exchange student G.A.R. has ever had. Wibke, whose hometown is Bad-Salzuflens, West Germany, comes from a family of four. Her father is employed as a pharmaceutical representative. She is currently residing at the home of Mr. & Mrs. Joseph Blaum.

After graduation from G.A.R., Wibke must return to West Germany and complete two more years of school. Her future plans are to return to America to become a doctor.

Miss Hillebrand enjoys being involved in key club, basketball, volleyball, ski club, softball, and Garchoir.

The entire student body, faculty, and administration at G.A.R. wish Wibke well in the future. She has given us many memories to cherish forever.

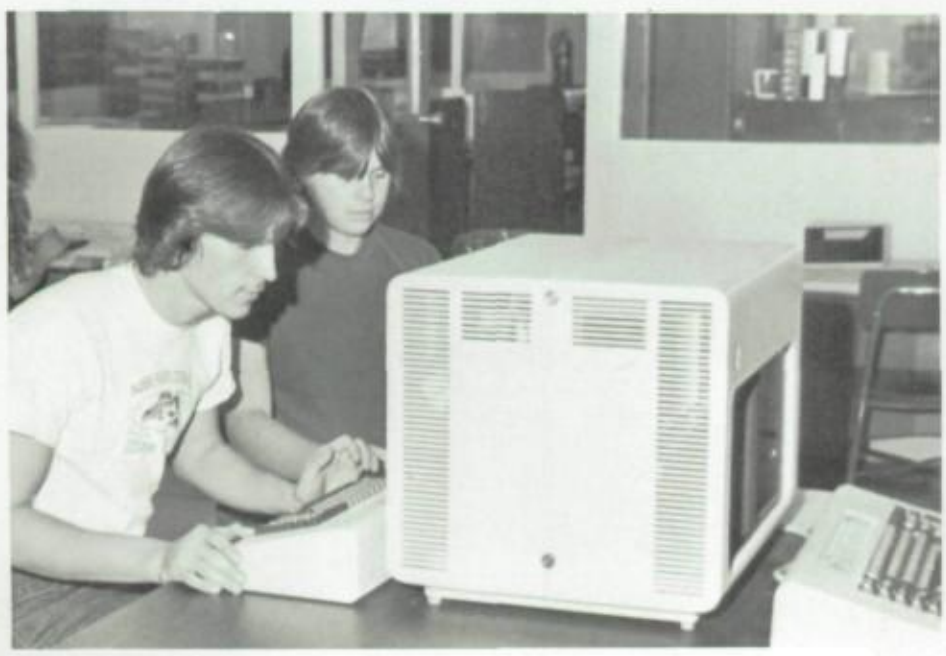
Charles Horn, born March 15, 1966, attended G.A.R. and was a bright diesel mechanics student at the Wilkes-Barre Area Vocational Technical School. He was well-liked by his friends both at Voc-tech and here at G.A.R. Chas is, and always will be, remembered in spirit as a very special part of our Class of 1984.



Senior Class Officers

Retirement

MR. EDWIN COBLEIGH

Mr. Edwin Cobleigh retired in November this year after a long career in the Wilkes-Barre Area School District.

Upon graduation from Temple, Mr. Cobleigh taught at West Pittston Junior-Senior High School before coming to G.A.R. in 1955. His teaching career was interrupted when he was appointed supervisor of social studies from 1971 to 1973.

Mr. Cobleigh gained notoriety for his yearly portrayal of Abraham Lincoln. He truly enjoyed bringing to life a historical figure about whom his students had only read.

We wish Mr. Cobleigh a retirement filled with happiness and good health.

In Memoriam

MRS. JUDITH LEVIN

The G.A.R. family returned to school after the Christmas holidays with a deep sense of loss as we learned of the death of Mrs. Judith Levin on December 30.

Mrs. Levin began her career in the Wilkes-Barre Area School District in September, 1962. For the past 22 years she had been a reading teacher at G.A.R. Memorial High School where she also served as advisor to the school newspaper. In her long career here at G.A.R., Mrs. Levin touched the lives of innumerable students, and she will be missed.

Having a good time.

The parenting class of Mrs. Shrader held parties at Halloween and Christmas. Guests were "little friends" of the students and teachers.

It was a good experience for the class as they had a chance to observe the children's reactions to different situations. A good time was had by all, but most importantly, a learning experience was provided for the class.

Two comfortable seats.

G.A.R. Welcomes District Band Festival

Once again the halls of G.A.R. were filled with visiting musicians. This year G.A.R. was the host school for the District IX Band Festival. On January 26, one hundred sixty musicians representing 40 different schools arrived at G.A.R. These students were housed by neighborhood families of G.A.R. during their stay in Wilkes-Barre.

Guest conductor for the festival was Mr. Robert F. Zellner, Associate Professor of Music at Gettysburg College.

Following two days of intensive practice with Mr. Zellner, the concert was performed to a packed auditorium on Saturday, January 28.

Mr. John Mainwaring was in charge of the festival, and he did a fine job in coordinating all phases of the festival.

The students who spend their study periods working with Mrs. Sims in the attendance office helped her to keep that office running smoothly this year. These students perform various functions in the attendance office such as typing the absentee bulletin.

This year the Senior Tea was held on December 15. Along with many changes at G.A.R. this year, the usual Senior Girls Club became a Senior Club. Many of the boys showed a great deal of enthusiasm for this event.

The tea was given for seniors and their guests. Entertainment was provided by the Garchoir. A very enjoyable time was had by all.
